

PIRATE YOUTH SPORTS

Job Posting: Information Technology Director (IT Director)

Pirate Youth Sports (PYS) is looking for a volunteer to support the organization with information technology and digital support. The **DIRECTOR OF IT** will work closely with the **HEAD OF GROWTH AND TECHNOLOGY** to support the operations of PYS to improve the usage, implementation, and support for the technology used by the organization.

This includes, but is not limited to, the following:

- Google: Workspace, Gmail, Google Drive
- League Management Software: TeamSideline, the TeamSideline App, and TeamSnap
- PYS Website (hosted through TeamSideline)
- Domain Name Management (hosted through TeamSideline)
- Technical Support for PYS Staff and Families

PYS Directors implement, manage, and coordinate the daily/weekly activities for PYS programs, and collaborate with the PYS Officers to support the mission, purpose, vision of the organization.

NOTE: This is a volunteer role, unpaid, and a director level position within the organization. The average monthly time commitment for this role is **8-10 HOURS**, but may vary depending on the needs of the organization.

IMPORTANT: The IT Director may also be needed to respond on short notice (if possible) to address immediate technical needs or technical support for the organization or customers.

PYS has other volunteer positions available, and we are always looking for support from community members to provide a safe, positive, and fun environment for all children to play sports. If you would like to learn more, or know someone who is interested in volunteering, please contact: officers@pirateyouthsports.com
